

St Roch's Parish Primary School acknowledges the school's responsibility to develop and maintain an Asthma Management Policy.

Statement

Asthma is a chronic health condition affecting approximately 10% of Australian children and teenagers. Asthma is one of the most common reasons for child admissions to hospital and missed days of school. Asthma exacerbations can commonly occur while attending schools, particularly in February and May.

In order to meet the duty of care obligations and to ensure the health and wellbeing of all students, St Roch's I recognises the importance of staff education and the implementation of an asthma policy.

Asthma management plans must be placed on Care Monkey and updated on an annual basis or if there is a change of asthma management plan.

In order to meet the duty of care obligations, St Roch's will:

- Obtain a written asthma plan for all students diagnosed with asthma upon enrolment at the school and ensure they are updated at least annually (Office Manager to contact parents at the start of the school year).
- Store medical information and medications appropriately.
- Ensure that students feel safe and supported at school.
- Support student healthcare needs.
- Ensure all permanent staff members undertake asthma management training.

Scope

- Implement an asthma first aid procedure consistent with current national recommendations and all staff are aware of the asthma first aid procedure.
- Ensure adequate provision and maintenance of asthma emergency kits are replaced regularly and have not expired
- Facilitate communication between leadership, staff, parents and carers, and students regarding the school's asthma management policy and strategies.
- Promptly communicate to parents and carers any concerns regarding asthma and students attending the school.
- Identify and minimise, where possible, triggers of asthma symptoms for students.

- Ensure that students with asthma are not discriminated against in any way.
- Ensure that students with asthma can participate in all activities safely and to their fullest abilities.

Staff will:

- Be aware the school’s asthma management policy.
- Be aware of the asthma first aid procedure.
- Be aware of students with asthma and where their medication and personal spacers are stored.
- Attend asthma education and training sessions when required.
- Be aware of where to access written asthma plans, school camp and excursion medical update forms, and asthma emergency kits.
- Identify and minimise, where possible, triggers of asthma symptoms for students.
- Ensure that students with asthma are not discriminated against in any way.
- Ensure that students with asthma can participate in activities safely and to their fullest abilities.

Purpose

In accordance with the [Education Training and Reform Act 2006 \(Vic.\)](#) (the Act) and the [Education and Training Reform Regulations 2017 \(Vic.\)](#), school attendance is compulsory for children and young people aged from 6 to 17 years unless an exemption from attendance has been granted (refer to **Appendix 1: Guidelines** for absence and [Exemption from School Attendance or Enrolment](#), Department of Education and Training (DET), 2021).

Whilst ensuring student attendance at school is a legal obligation of parents/guardians, supporting students to attend school each day is the shared responsibility of all parents, students, the school and the wider community.

School attendance is important as it maximises life opportunities for children and young people by providing them with education and support networks. Positive engagement with schooling enhances academic and wellbeing outcomes for children and young people ([eXcel: Wellbeing for learning in Catholic school communities](#)). Attending school every school day for the whole day enables students to participate in the school's educational program as well as develop their social skills. Regular attendance enables the school to:

- plan an organised educational program that is delivered in a consistent way and has continuity
- facilitate shared student learning experiences that support the educational program
- monitor student progress and adjust the educational program to meet student needs. All schools must maintain attendance records, identify and follow up unexplained absences and develop procedures to support and maintain student attendance.

Scope

Details and procedure within this policy are applicable to schools and students enrolled in a Melbourne Archdiocese Catholic School (MACS). All schools must have documented procedures for monitoring school attendance (**see Appendix 1**). Principals should contact the Regional General Manager for assistance in addressing complex attendance and exemption matters.

Principles and Procedures

Responsibilities for school attendance

Parent/guardian

Parents/guardians must enrol a child of compulsory school age at a registered school and ensure the child attends at all times when the school is open for instruction, unless exemption from attendance has been granted. For absences where there is no exemption in place, the parent/guardian must promptly provide an explanation on each occasion to the school.

Students

Students are expected to attend the school in which they are enrolled during normal school hours every day of term, unless there is an approved exemption from school attendance for the student, or the student is registered for home schooling and has partial enrolment.

Principal

The Principal must ensure:

- daily attendance of each student enrolled at the school is recorded at least twice a day in primary schools and for every class in secondary schools
- any absences of a student from school, including classes, are identified
- reasons for each student's absence are provided and recorded in writing
- explanations for absences that are provided, are a reasonable excuse for the purposes of their responsibilities under the Act
- follow up any unexplained absences of a student by **contacting the parent/guardian of the student as soon as practicable on the same day**
- parents/guardians are notified promptly regarding a student's unsatisfactory school or class attendance. If, upon being notified of their child's absence or contacted to seek an explanation, a parent reports that the child was not living with them on that day, the school should ensure they notify another parent who was responsible for ensuring the child attended school on the relevant day(s)
- if contact cannot be made with the parent, contact should be made with the emergency contact/s nominated on the student's file held by the school
- information regarding a student's unsatisfactory attendance at school or classes is recorded on their student file
- parents/guardians are informed of their responsibilities around attendance and initiatives aimed at promoting parental awareness of the importance of children attending school every day are implemented
- attendance improvement strategies, interventions and levels of adjustment are implemented where the absence is having a significant impact on a student's educational achievement and development, including an Attendance Student Support Group, Personalised Learning Plan, Student Absence Learning Plan and Return to School Plan
- strategies for supporting attendance of students in out-of-home care, experiencing homelessness, Aboriginal and Torres Strait Islander (ATSI) families, overseas students, students with disabilities, students with cultural and linguistically diverse backgrounds and newly arrived families are implemented
- **MACS is to be advised prior** a referral to a DET School Attendance Officer when a student has been absent from school on at least five full days in the previous 12 months without a reasonable excuse for absence
- refer to the **'Everyday Counts' flowchart** on the CEVN webpage: <https://cevn.cecv.catholic.edu.au/Melb/Student-Support/Attendance>)
- referral processes are implemented to Child FIRST or Child Protection, MACS and the School Attendance Officer where required.
 - refer to Child Protection and Child Safe Standards (PROTECT)

4. Attendance at the school is checked twice daily.
5. The attendance reports are accessed by the School Office to follow up students who are absent without explanation.

9. Parents are required to provide up-to-date contact details and notify the school of any changes to contact details or address

Procedure for late arrival at school

On those occasions when students arrive late to school, parents or guardians need to accompany their children into the Office where they sign a green 'Late Arriving' slip for each child.

Procedure for leaving school before the normal departure time

Parents taking children early prior to 3.30pm must also enter via the Office and complete a yellow 'Leaving Early' slip.

Procedures for communicating about attendance expectations to parents/guardians

The School communicates with families about the expectations for attendance at school via the Parent Handbook and the School Newsletter.

Attendance record keeping

St Roch's maintains records about attendance, including records about students who have been absent from school without reason for long periods of time

Attendance improvement strategies

St Roch's will work with families and students where school attendance is irregular, including strategies to re-engage students, contact with external departments and agencies.

Appendix 2: Guidelines for absences

A student who is participating in one of the following activities must be recorded as not physically present at the school site but **will not be considered absent from school**:

School activity

A student will not be considered absent when they are participating in an authorised activity for school purposes. The activity may be off school grounds. Activities may include students performing in the school choir, band or dance group, students participating in a youth parliament or council or a student undertaking community service.

Excursion

A student will not be considered absent when they are participating in an excursion which occurs outside the school grounds and is conducted, organised and/or approved by the school. Excursions could include part-day, day or multi-day class visits to venues outside the school or school camps.

Off campus activity

A student will not be considered absent if they are participating in an authorised activity that is away from the school campus. These activities may include flexible arrangements, attendance at a TAFE or other training provider course, or participation in a school-based apprenticeship or traineeship. These activities will be regular and ongoing in nature.

Natural Disaster

A student will not be considered absent if they are unable to attend school due to an extreme weather event or other natural disaster. This code may be used whether or not the student is continuing with school work while absent from school, and may be used for full or part-day absences.

Sport

A student will not be considered absent when they are representing their school, district, region, state or country at a sporting event approved by the school

Work experience

A student will not be considered absent when they are participating in a work experience program approved and organised by the school. Work experience programs are available for students 14 years or older. Schools must ensure the appropriate work experience agreements have been completed before students undertake work experience.

The following circumstances 'absences' will be considered reasonable where an excuse has been given:

Illness

It is reasonable that a child may be absent from school when they are genuinely too ill to attend.

On any single day of absence due to illness, or within two days of the student's return to school, a parent should provide the school with an explanation for the absence, in line with the schools agreed processes for notifying of student absence. This may take the form of a written explanation note containing the student's name, date/s of absences and reason for absence, a verbal explanation through either a phone call or visit to the school, or a medical certificate.

If a child who is prevented by illness from attending school for a period longer than 10 consecutive school days, the Regional General Manager (or delegate) has the power to grant an exemption from compliance with the requirements of compulsory schooling or compulsory participation.

Infectious or contagious disease

It is a reasonable excuse for a child to be absent from school if the child is, or is a member of a class of persons, that is subject to a direction or order given about an infectious or contagious disease or condition.

Medical or dental treatments or procedures

It is reasonable for a student to be absent to attend a medical or dental appointment. This should be documented through the provision of a written or verbal explanation from a parent.

Sport

Principals should use their professional judgement to determine if it is reasonable for a student to be absent from school to participate in a sporting event where they are not representing their school, district, region, state or nation, taking into consideration the type of event and the organising sporting body.

Suspension a suspension is a reasonable excuse for absence and the following applies:

- if a student is suspended for five days or less the school's principal must take reasonable steps to ensure the student is given school work to complete during the suspension
- if a student is suspended for **more than five days**, the school principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension
- if the student is **suspended with a recommendation for negotiated transfer or expulsion**, the school principal must arrange for the student's access to an educational program that allows the student to continue with their educational program during the suspension.

Apprentice or trainee through Vocational Education Training/VCAL program

It is a reasonable excuse for a child to be absent from school if an arrangement has been made through the VET/VCAL program

Funeral

Attendance at a funeral or to attend to Sorry Business or Sorry meetings may be considered as a reasonable excuse for absence. Parents should be encouraged to ensure their child misses as little school as possible.

There may also be circumstances where a child is kept out of school due to grief of a close family member. In such circumstances, the school should work with families to encourage them to have the child attend school to maintain a sense of normalcy. These situations should be handled with respect and sensitivity and should be underpinned by the interests of the child.

Legal

It is a reasonable excuse for a child to be absent from school where the child is required to attend court or fulfil other legal requirements.

Holiday

Parents should be encouraged to plan holidays for students during gazetted school holiday periods and pupil free days. Principals should use their professional judgement in determining whether a holiday is a reasonable excuse for a student absence, taking into consideration family circumstances, distance to be travelled, length and frequency of holidays. A principal has the delegated power to grant an exemption from the requirement of attendance at a state school where the exemption will apply for less than one school year.

The following circumstances will be considered **absences for which there is NOT a reasonable excuse given:**

Unexplained absence

When no explanation for a student absence has been offered to the school by the parent, or the student if they are living independently.

Leisure activities

Undertaking a leisure activity such as shopping, visiting friends and relatives, fishing or camping, is not considered a reasonable explanation for an absence from school.

Any other reason for absence

The principal should use their professional judgement in determining whether other reasons given by the parent, or the student if they are living independently, are reasonable explanations for a student's absence. If the reason given is not a reasonable excuse the principal should document the decision and record the student as absent.
