

Introduction

St Roch's Parish Primary School seeks to provide a safe, open and friendly learning environment for all staff, students and actively values and encourages volunteers and visitors. To achieve this, the School has developed guidelines to effectively inform, monitor and manage Volunteers and Visitors that must be applied at all times.

Scope

This policy and associated procedure applies to all visitors and volunteers who may attend the school site during school hours (Insert Opening hours – 8:30am – 4:30am). Outside of these times the School Reception will not be staffed and the only visitors permitted on school grounds are parents/carers or their delegates who are dropping off or picking up students from Outside School Hours Care (OSHC), school events, concerts, sport or other permitted school activities. Parents and carers are also permitted on school grounds to collect their children from community groups who have entered into contracts or agreements with the school to use school premises outside of school hours.

Policy

St Roch's strives to create an open and inclusive school and community environment and encourages parents and carers to be actively involved in their child's development and education. The school also strives to foster strong partnerships with local community groups and other organisations.

St Roch's is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors and volunteers to familiarise themselves with our school's Vision and Mission Statements, Child Safe Policy, Statement of Commitment to Child Safety, Child Safe Code of Conduct and Parent and Guardian's Code of Conduct.

Visitors and volunteers to our school may include, but not be limited to the following:

- Parents, Guardians and Carers;
- Prospective parents, students and employees;
- Catholic Education Commission of Victoria (CECV) employees and representatives;
- Allied health or health practitioners;
- Children's services agencies;
- Invited speakers and guests;
- Public officials - members of parliament, local councillors;
- School service providers - uniform suppliers, booksellers, official school photographers;
- Technicians – ICT and Photocopier;
- Contractors and tradespeople;
- Department of Health and Human Services workers;
- Victoria Police;
- Persons authorised to enter school premises - Worksafe inspectors, health officers etc...;

St Roch's discourages visitors and volunteers who may be feeling unwell from entering the school site. Where deemed pertinent by the school Principal, a member of the Leadership Team or Reception Staff, visitors or volunteers may be required to complete the school's COVID 19 Declaration Form prior to being authorised entry.

Visitors and Volunteers who fail to report to the School Office, follow the instructions of the school staff members, breach the school's entry requirements or act in a manner that places themselves, students, staff members or others on site at risk will be asked to leave the school site immediately. Further entry to the school site may also be prohibited.
